

CRISIS
DISASTER
CATASTROPHE

I feel like that again. I can hear the distant thunder and I can see the lightning playing in the clouds, like a fluorescent tube before it fizzles. I am talking about the **SIGNS OF THE TIMES** and the **GATHERING STORM**.

The SIGNS are here and I list a few:

1. A flood of lawlessness and immorality. The days of Noah are here again
2. The Earth on life support
3. The rise of the new Intolerance. Everything is tolerated except God's law
4. America moves from the faith of her fathers and embraces strange gods
5. The Gospel of Christ prevails in spite of persecution
6. Millions of Christians face death
7. The twin pillars of society, the Sabbath and Marriage, are cast down
8. Terrorist nations get nuclear weapons
9. The Antichrist of Bible prophecy achieves hero status
10. God's people proclaim the Gospel

Can't you see it? Can't you hear it? The storm is coming, Jesus is coming! If you believe what I am saying, please say, "AMEN!"

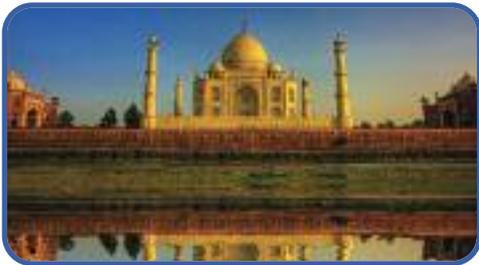

Dear friend, it is time for us to seek a place of safety. That place is under the wings of the Eternal God. It is also the time for us to PUSH BACK against EVIL by aggressively preaching, teaching, and living the Gospel of Christ.

Here is a list of Carter Report projects for 2014 that I believe you will want to support:

1. INDIA

It's home to four times the population of the United States. We have just finished a new series for Indian TV. We are also planning a campaign (dangerous!) in an Indian city that must at this stage remain anonymous.

2. SOUTH OF THE BORDER

Campaigns are being organized for those who speak the language of Spain. Some of these countries have less than ideal security, but we follow where Christ leads.

3. TELEVISION EVANGELISM AROUND THE WORLD

We are now broadcasting the Gospel on 3ABN, and THE WORD NETWORK that is in the homes of 85,000,000 Americans. This costs \$8,000.00 every week.

If you think you can hear the distant thunder and see the lightning flashes, then please partner with us in proclaiming God's last warning message.

Please write to me. Time is short, the storm is coming. We have work to do, you and I. Please give your very best gift for the most important undertaking ever given to humans — the work of sharing the message of salvation.

Thank you in advance for your generous gift of love and grace. May God bless you over and beyond all you can ask or think.

Yours in the Blessed Hope,

John Carter
