AMAZING BUT TRUE STORIES

FROM THE FRONTLINES OF THE BATTLEFIELD

These following events actually happened when John Carter and his team ran a campaign in Manila 34 years ago.

THE KILLER KILLED

The man with the dagger came to our meetings to kill an attendee. He was a professional killer. He had followed his proposed victim around Manila all day, waiting and watching for an opportunity to strike the fatal blow. When the man he was hunting entered the Philippine International Convention Center, he followed close on his quarry, sitting just a few seats behind him. Later on, he penned to John Carter the following message: "I came tonight to The Carter Report meeting in the PICC* because I intended to stab a man to death.

I had followed him all day. When he entered the hall, I was just a few steps behind the man who would soon feel my knife. But as you preached about Jesus from the Bible, I found that I could not attack him and kill him. I could not strike the fatal final blow. Something spoke to my heart and I could not raise my knife. Now I want to follow Jesus and be baptized. Tonight God has touched me and changed me. You now know, but my man with the X on his back will never know." Thus the killer was killed by GRACE.

John Carter and The Carter Report team have been invited to return to Manila. They confidently believe they will see even greater things. Please join us in praying that many thousands will turn from sin and come to Christ in Mega Manila where 21 million judgment bound souls reside.

CATHOLIC PRIEST BAPTIZED

The Roman Catholic priest, a monsignor no less in the hierarchy, approached John Carter as he presided over the baptism of two thousand souls.

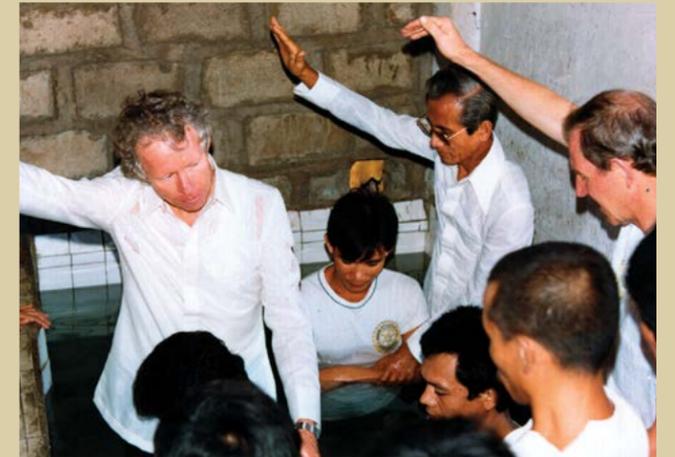

"Sir," he said, "may I also be baptized? I have attended your meetings in the PICC and I have discovered the truths of His holy Word. I want to follow Jesus and I can no longer follow the traditions of the Catholic Church. If you accept me, I am now

ready to be baptized." And so he was, still wearing the garb of a member of the Roman Catholic hierarchy. After he was baptized in the Name of the Father, Son and Holy Spirit, the people cheered and all Heaven rejoiced.

DEATH ROW SHINES WITH GLORY

Death Row is a grim forbidding place, especially in Manila where John Carter was preaching. After the great campaign in the PICC, John and his team of Christian soldiers visited the great Manila prison. The old massive doors to the jail were flung wide open, the team was ushered inside, and the guards beat a hasty retreat. It was too dangerous for them to enter. The Carter Report team then conducted Gospel meetings in a large prison room that seated hundreds of souls. They praised God as 250 prisoners were baptized. They then were escorted by brave Filipino Christian laymen and laywomen to a dark holding area on Death Row where awaited a group of condemned murderers. After preaching the Good News of our crucified and resurrected Lord, Pastor Carter and his team baptized desperate men who were

awaiting execution. As they came up out of the water, their faces shone with the glory of God. We will see them again. They died facing the Kingdom with the gift of eternal life.

PICKPOCKETS POCKETED BY GOD

Bands of professional pickpockets mingled with the huge crowd attending The Carter Report in Manila. The wealthy elite of Filipino society rubbed shoulders with the underprivileged who had come seeking true riches. Inconspicuous in this motley cosmopolitan crowd of truth seekers were skilled gangs of pickpockets whose talent was

lifting wallets and jewels. They were enjoying great success until their concentration was shattered by the Word of God. They later confessed it was difficult to steal a money bulging wallet when the preacher was talking about the coming Judgment Day. Before the campaign finished, all the gangs had been converted and the money returned to the amazed victims. There is power in the name of Jesus and His soul saving Gospel.

OUR MAN IN HAVANA

Nothing is too hard for God. While many grumble and complain, our Pedro in Havana goes ahead in faith and sees the power of God. While most said it would not happen, our man in Havana was granted permission to use a state auditorium with the support of the local Communist TV station! Now The Carter Report team, that is backing this young Cuban evangelist against the opposition

of the faithless and the fearful, is planning on visiting Havana again. Our team will be there to support this Cuban "Paul" who believes he can do all things through Christ who strengthens him. As Churchill said to the Americans during the war against the Nazis in 1940, "Give us the tools and we will get the job done." Please, in the name of Christ, join in the fight to rescue the perishing and care for the dying. Please give now to save souls.

Dear Partner in Christ,

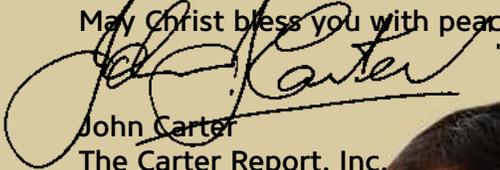

I have been studying my Bible, and especially the prophecies, for 60 years. I am now more convinced concerning the truthfulness of God's Message than ever before. When I started preaching many years ago, as a boy of 17 years, I had a fire that burned in my bones and I couldn't keep it in. I still have that holy fire, and my convictions have grown stronger that we are on the right track and that the last great events are about to explode around us.

The one thing that really counts is one's relationship to Christ and helping others get ready. That's why I am asking you to partner with me in the Havana meetings in a hall loaned to us by the Communist Government. Amazing but true! That's why I am also asking you to stand with us as we travel to dangerous Manila where TWENTY-ONE MILLION JUDGMENT BOUND SOULS are waiting. We have seen God's power before, and we firmly believe that we shall see it again. **Please help me raise \$550,000.00 for the saving of souls.**

It is very clear the saving of lost souls is the most important work because it is the only thing that will last for eternity. I believe God will show us just what he wants us to do. When we make a covenant with God by sacrifice, He will so bless us that we will have abundant resources for our own needs and for the saving of souls.

With a thousand thanks.

May Christ bless you with peace, joy, and a wonderful New Year,

John Carter
